¹ The Department of Health and Human Services Appropriations Act for 1995 (P.L. 103-333) included \$1 billion to LIHEAP as advanced funding for FY 1996. However, the appropriations act for FY 1996 (P.L. 104-134) rescinded \$100 million of the advance appropriation, leaving a total of \$900 million. Table excludes the following funds: \$8.3 million set aside for direct grants to Indian tribes and tribal organizations; \$1.2 million set aside for the insular areas (American Samoa, Commonwealth of Puerto Rico, Commonwealth of the Northern Mariana Islands, Guam, Trust Territory of the Pacific Islands/Palau, and U.S. Virgin Islands); \$16.9 million for the leveraging incentive program that was distributed on a competitive basis. The LIHEAP leveraging incentive program rewards grantees that add private or non-federal public resources to provide home energy benefits to low income households beyond what could be provided with federal resources: \$5.5 million that was distributed on a competitive basis to LIHEAP grantees for the Residential Energy Assistance Challenge Option Program (REACH), which was funded for the first time in FY 1996. REACH is designed to help low income households reduce their energy vulnerability; \$0.3 set aside by HHS for training and technical assistance activities; \$454,374 for a prior year debt.

² An amendment to P.L. 103-333 contained in the Emergency Supplemental Appropriations for Additional Disaster Assistance, for Anti-Terrorism Initiatives, for Assistance in the Recovery From the Tragedy That Occurred at Oklahoma City, and Rescissions Act, 1995 (P.L. 104-19) provided that \$300 million of the emergency contingency funds appropriated for FY 1995 would remain available for FY 1996. Of that amount, \$180 million was released on Apr. 11, 1996 to all grantees on the basis of the regular LIHEAP distribution formula. The funds enabled LIHEAP grantees to take steps to mitigate the effects of the abnormally cold winter on low income households, and prevent utility shut-offs that could endanger lives during the winter of 1995–96. Excludes \$1.7 million set aside for direct grants to Indian tribes and tribal organizations, and \$0.2 million set aside for the insular areas.

³ Excludes any funds carried by Indian tribes and tribal organizations, and insular area grantees.
